L

- 2.7 If any third party infringes, or on reasonable grounds appears to be infringing, any intellectual property rights in the Article and/or Supplementary Material, and RSC is of the reasonable belief that this infringement will be prejudicial to or interfere with its business, RSC shall have the right to bring an action for infringement pursuant to section 101A of the Copyright, Designs and Patents Act 1988 (as amended, extended or re-enacted from time to time) or its equivalent legislation in any relevant jurisdiction. The RSC is hereby authorised by the Copyright Owner(s) independently to take such steps as RSC considers necessary or appropriate in respect of such infringement, including the institution and conduct of legal proceedings and any subsequent appeals. In doing so, RSC shall not be taken as acting as agent or acting in any way on behalf of the Copyright Owner(s). RSC shall bear all costs arising from taking such steps but shall be entitled to retain for its absolute benefit any damages, profits, costs or other amounts awarded or recovered in such proceedings.
- 2.8 The Copyright Owner(s) hereby consents to the inclusion of electronic links from the Article to third party material wherever it may be located.
- 2.9 The rights to any raw research data included in the Article are not covered by the Agreement.
- 2.10 Submission of the Article does not guarantee publication. If the Article is withdrawn, rejected, or not published, RSC shall notify the Copyright Owner(s) of this and the rights aforementioned in

(c)

- (a) the Article and Supplementary Material is the original work of the Copyright Owner(s) and has not been copied (in whole or in part) from any other work or matter or, if the Article and/or Supplementary Material includes excerpts of copyright work of persons other than the Copyright Owner(s), the Article and Supplementary Material is substantially the original work of the Copyright Owner(s) and all permissions as are necessary for the grant of the licence and rights to RSC herein have been obtained for use of such excerpts and all necessary credits to the sources have been included;
- (b) the Article and Supplementary Material and the exercise of the licence and rights granted to RSC by the Agreement will in no way whatsoever infringe the intellectual property rights (including without limitation copyright, database rights, patent or trademark or other third party rights) of any person whatsoever or result in breach of any existing duty of confidentiality, or duty to respect privacy, or any other right (including any moral right) of any person or entity whatsoever or breach of any contract or of any law;
- (c) the Article and the Supplementary Material
