The relevant copyright notice must be displayed on all copies of information made from Subscription (see Clause 2.4 for the form of words to be used).

4.2 Customer acquires no intellectual property rights in Subscription and all such rights remain with the copyright owner.

This access information may be used by Publisher and its agents only for Publisher's internal purposes including management information reporting, monitoring and enforcement of Customer's access, and Customer support purposes. Publisher shall use its best endeavours to keep confidential from third parties this access information and these usage statistics. Publisher and Customer shall each comply with the requirements of any data protection legislation currently in force and applicable to them.
